

ART 162 - PAINTING II

- Frame useful questions for developing technical skills.
- Interact constructively for critiquing paintings.

Course Description

This course is structured to help students develop a visual language through their paintings. It is designed to build upon the painting fundamentals learned in Painting 1. Students will spend class time honing their skills with the formal attributes of visual art through the medium of oil paint. Group 2 course. Students are encouraged to have good reading skills or seek help.
