

CIT 124 - MICROSOFT OFFICE - POWERPOINT

Course Description

This course teaches students how to use Microsoft PowerPoint and prepares them to pass the Microsoft Office Specialist (MOS) PowerPoint certification exam. Skills students will learn include preparing and modifying a presentation, using help, formatting slides and inserting elements in slides, creating tables, charts, and SmartArt graphics, using slide masters and action buttons, applying custom animation and setting up shows, and integrating, reviewing, protecting and saving presentations. Course content is mapped to the current Microsoft Office Specialist (MOS) PowerPoint learning objectives and students enrolled in this course will take the certification exam. Group 2 course.
