¹ Certiport Information Technology Specialist certification exam is included.

² Students should see their advisor for recommendations before signing up for a course.

³ Students planning to take the internship class require department approval and are required to have a GPA of 3.0 in their CIT classes. It is also recommended that students have 20 credits in CIT classes and an overall GPA of 2.0. While a 3.0 GPA in CIT classes is required for this internship, an alternative, campus-based internship opportunity is available for students who do not meet this requirement.

⁴ Microsoft Office Specialist™ certification exam is included.
