

# EARLY CHILDHOOD EDUCATION, CERTIFICATE OF ACHIEVEMENT (LEVEL II)

## CERTIFICATE OF ACHIEVEMENT (LEVEL II)

NMC Code 002

This certificate program is designed to meet the qualifications for center directors and lead teachers required by Michigan's Licensing Rules for Child Care Centers. Students completing the Early Childhood Education and Care Certificate will reliably demonstrate the working knowledge of child development from conception to age 10 and possess the skills necessary for teaching and administering early care and education programs. This is a building block program that provides more than half of the 60 credits required for an Associate of Applied Science Degree in Early Childhood Education. Students interested in the certificate program are encouraged to work closely with the Early Childhood Education Program coordinator. A 2.0 GPA must be maintained to receive the certificate.
